

The Lighthouse and Macmillan Cancer Care

The Lighthouse, which offers space and refreshments for anyone who needs it on Friday mornings had a special event on Friday 27th September. They turned themselves into a Coffee Morning for Macmillan Cancer Care, offering the usual tea and coffee, cakes and a bring and buy stall.

The Lighthouse team, are very grateful to all those who helped with the organising and publicity for the event, and especially as John and Iris had to take a back seat because of Iris' recent op, they asked for special mention of Lisa, Dawn and Claire's friend who helped make it a huge success.

The team were delighted to welcome lots of folk and were also delighted with the generosity shown, which raised approximately £255 for Macmillan Cancer Care.

Well done team Lighthouse!

Our building project crawls forward (July 13)

We still await contracts to be signed so that the building work can start. Our patience is being stretched but we continue to work towards that goal.

In the meantime, the Lighthouse now has a number of regulars and a few who pop in from time to time. So much so that they have recently started going across the road to have lunch together and get to know one another better.

Thanks to Roman Road Independent Methodist we now have a book trolley to hold a wide variety of books and magazines for folk to borrow and read.

Currently, while our Sunday morning numbers are so low, we are only meeting for morning worship twice a month (1st and 3rd), and we have adopted a less formal approach having a discussion or activity over a cup of tea/coffee instead of a sermon. In the other weeks we meet on Wednesday evenings for praise and worship.
